### WHY DO WE DO THAT?

**Q:** God rarely *seems* to answer my prayers. Is He really listening?

**A:** Throughout Scripture, God promises to answer the prayers of His people. Sometimes things don't turn out the way we'd hope. God won't miraculously do evil or fulfill selfish intentions. If we're praying for something immoral, God isn't going to answer that prayer for us! Of course, we still have the freedom to make choices, but it isn't God's movement. Sometimes we're not praying for something evil, but our intentions are less than honorable. For example, "Please convert my mother-in-law so she goes to church more and visits us less!" While God is no doubt at work in the woman's life, He likely won't answer that prayer in the way you'd expect!

After all, God knows what He is about. He has plans in mind for us, but they might not be what we think. For most of us, winning the lottery would bring about a material benefit. That said, funds used in continually purchasing tickets to provide the means for God to "work" could likely go towards better avenues of financial stability. God is concerned with our ultimate good. When we pray, we're invited to surrender our lives to Him. One of the first petitions in the Our Father is "*Thy will be done.*" Sometimes the lack of an answer is an answer! Are we prepared to receive it?

## Seasonal Note/Snowbirds:

If you plan to leave for an extended time this winter, please use the cards on the bulletin tables and return it to the parish office ASAP; you can also drop the card in the collection.

## GOSPEL MEDITATION

(Luke 18: 1-8)

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

"Render a just decision for me against my adversary." Today's Gospel features a persistent widow who ekes out justice from a notoriously cold-hearted judge. Why does she win the day? "*Because the widow keeps bothering me.*" Jesus' recommendation to the disciples is to be persistent in prayer, because surely God the Father is far more attuned to their needs than this judge. If only it were that easy, right? We've all experienced the unanswered prayer, the silence after our cries. When this continues, sometimes it can be difficult to have faith in God or believe He answers prayers. It can be easy to lapse into a sense of His distance. We want Him to do something "fair," which — in our limited view — typically means that something works out in our favor.

There are, of course, many legitimate cries for justice. We live in a fallen world filled with flawed human beings. We hurt each other, sometimes grievously, and our efforts to remake the world in *our* image can result in unjust, inhumane systems. Faced with the problem of evil, we may wonder how God will "*secure the rights of his chosen ones.*" Sometimes, He may well seem "*slow to answer them.*"

In the face of these very real questions, it's important to recall the words of the prophet Isaiah, that God's thoughts "*are not [our] thoughts.*" His ways are not our ways. God respects the freedom He has given us. When we see what free will has wrought, perhaps we question God's better judgment! Yet somehow, we hear that He mysteriously works all things for our good. No matter what situation we find ourselves in, we are always free to love. We are invited to be persistent in our prayer, to continue bringing our concerns before God in trusting surrender. We are invited to love well in the circumstances we find ourselves in, to be a light in the darkness. No matter when - or if - our prayers are answered the way we would like, we are nonetheless invited to witness to "*faith on earth.*"

## Saint Bernard School

*Fall Information Session and Placement Tests*

**Information Session: Thursday, Nov. 14, 2019**  
6:00 to 8:00 PM

**Placement Tests: Saturday, Nov. 2, 2019, 8am - noon**  
and **Saturday, Dec. 7, 2019, 8am - noon**

At Saint Bernard School an emphasis is placed upon developing the mind, body, and spirit of each student. As educators we are constantly assessing what learning will have the greatest impact on the lives of our students. High stakes testing, prescriptive curricula dictated by The Common Core, and a "one size fits all" approach are not the answer.

In our community of learners, your son or daughter will find his or her place. Our teachers will feed their strengths and bolster their weaknesses. We will come to know them well. In a school where it is as important to be kind as it is to be a scholar or an athlete, confidence grows and lifelong success follows. No student is left behind. For more information or to register for the Information Session or one of the Placement Tests, please call 860-848-1271 or email
