VOLUNTEERS NEEDED!!!!

As you know all our catechists are volunteers and some of last year's classes were bursting at the seams. Not only do we need to replace a few catechists who have moved on but we'd also like to offer a second day of classes on a weekday this year to keep our class sizes manageable. This will only be possible if we get more catechists. No experience is needed, training is provided.

I am also looking for an office volunteer or two. This would be a once or twice a month commitment for a few hours to help me keep up with the paperwork side of the job....filing, recording sacraments, inputting attendance, etc.

There are no faith formation fees for families that volunteer as catechists or ongoing office volunteers.

I know how precious your time is but we absolutely CANNOT do this without volunteers. Please prayerfully consider volunteering.
