WHY DO WE DO THAT?

Q: Our prayer group has been reading the lives of some saints, and we were struck by how some of them thought they were such sinners. Why would such holy people think they had such serious sin?

A: Professional athletes practice the fundamentals of their sport over and over again, reaching for better form, consistency, and better performance. They focus on the basics, review past performances, and visualize greater success. Practice makes better, if not perfect!

Spiritual masters such as the saints also looked for perfection. They practiced their faith in the search for holiness, grace, and virtue. Through sacraments, prayer, study, good works, and penance, they raised their level of awareness, their sensitivity to the presence of God, the demands of the Gospel, and the workings of the Holy Spirit. They examined their consciences daily, reviewing the day for moments of failure and times that they could have been more virtuous in one way or another. They resolved to do better, be more attentive and alert!

Therefore, anything that would distract them or interfere with their relationship with God would be like a small black spot on a bright white wall -- you can't miss it! The great saints were aware of sin and the presence of evil because they were so tuned in to the struggle between good and evil that was fought in their own lives, hearts, and souls. We must guard against becoming desensitized to sin in our lives and unaware of the harm it causes us. A goal of any spiritual practice is to become more aware of our sinfulness so that we seek God's forgiving and healing love.

GOSPEL MEDITATION

John 6:60-69

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

"This saying is hard; who can accept it?" The words of Jesus' disciples in today's Gospel must sound familiar. At some point in our lives, you and I have said it about some article of our faith. Christianity makes firm demands on our ethical behavior and gives no easy answers for suffering. Many disciples were confused and dismayed by Jesus' words in the Bread of Life Discourse. Not all of them, however, had the same reaction. When the disciples question Jesus' teaching, he confirms its truth. "The words I have spoken to you are spirit and life." For some, Jesus' reassurance was not enough. These disciples do not question Jesus further or wrestle with their lack of understanding. The mighty deeds Jesus has done fade to the background. "Many of his disciples returned to their former way of life and no longer accompanied him." For them, their doubt proves too much.

Jesus turns to the Twelve, knowing that confusion lives in their hearts as well. Peter answers. "Master, to whom shall we go? You have the words of eternal life. We have come to believe and are convinced that you are the Holy One of God." Notice this is not a confession of perfect understanding. It is a confession of faith in Jesus. The precise words may still confuse them, but they believe the One who said them. In our own lives, we face doubt, confusion, and disillusionment in our Christian faith. The same choice available to the disciples is available to us. Do you have faith in Jesus, even when you lack perfect understanding? Will you stay or will you go? What do you do with your doubt?

Are you interested in becoming Catholic?

IS RCIA FOR YOU? Have you had a quiet recurring thought in your mind? There are many reasons to ask about the RCIA.

Do any of these fit you?

- I have never been baptized.
- I am married to a Catholic and attend Mass, but don't know what the next step may be.
- I have been baptized in another Christian denomination and wish to become Catholic.
- I was baptized Catholic, but haven't received any other sacraments.

The journey begins with one small step! Ask Fr. Joe, or call Bob Staab, 860 434 5872, or email Bob at: Rta1ali1@aol.com.

When being admitted to the hospital...

We urge parishioners to let Fr. Joe or Fr. Walter know about hospitalizations EVERY time they come go the hospital. The new privacy rules (HIPPA) **do not allow** for information to be carried over from one hospital visit to the next. This means that if you have given permission for your church to be contacted **the last time you were in the hospital**, that permission is not continued with any future visits.

The chief complaint hospital pastoral care receives from parish clergy is they were not contacted about a parishioner's hospitalization. The hospital pastoral care department, reluctantly has to let all pastors know they cannot contact them without express permission from the patient EACH AND EVERY TIME THEY ARE IN THE HOSPITAL.

*** The best situation is for parishioners to call, or have a family member call the church when you are in the hospital, **and when in the hospital, give permission for them to contact the church.** Our priests **want** to know about parishioners in the hospital (visiting the sick is a considered by most priests to be one of their highest priorities). Don't assume that word will get to them. Let your priests know! ***

Novena for the Legal Protection of Human Life Aug.3 - Sept.28

The Committee on Pro-Life Activities is initiating a **Novena for the Legal Protection of Human Life.** This nine-week effort will include prayer and fasting for the intention that this change in the membership of the Supreme Court will move our nation closer to the day when every human being is protected in law and welcomed in life. The Novena will also include materials to help educate the public about how *Roe v. Wade* is not health care, is bad law, and fails women.

The Novena takes place from Friday, August 3, to Friday, September 28. Individuals are urged to sign up for the Novena as part of the USCCB Call to Prayer at www.usccb.org/pray.

Those who sign up will receive weekly email or text message reminders to pray and fast along with a fact about *Roe* to share with others including their two U.S. senators (through NCHLA/Human Life Action).

Today, Cardinal Dolan, chairman of the USCCB Committee on Pro-Life Activities issued a statement urging "all people of good will" to participate in this prayer and education effort.
