Small groups, personal study and application, and wonderful community.
Choose From Three Bible Studies:

OPENING YOUR HEART. The Starting Point. Opening Your Heart is the first step in a woman's exploration of her Catholic faith and her relationship with Jesus Christ. This guide is designed to inspire thoughtful consideration of the fundamental questions of faith—from why and how to pray to the role of the Holy Spirit in our lives and the purpose of suffering. More than anything, it's a challenge to open your heart to the only One who can heal and transform lives.

KEEPING IN BALANCE. If the pace and pressure of your life leaves you feeling frazzled and out of control, Keeping In Balance will give you the tools and inspiration to accept God's loving support. This modern journey through Scripture will lead you to discover how the wisdom of the Old and New Testaments will help you meet today's challenges. A blessed lifestyle of calm, health, and holiness awaits you.

TOUCHING THE DIVINE. An advanced study. If you've ever wondered what Jesus was really like, Touching the Divine will help you find the answer. And the more you know Him, the more your love for Him will grow—and the more you will learn of His love for you. These thoughtful studies of the Gospel of John introduce you to Jesus and then draw you closer to Him as you reflect on His personality. As your relationship deepens, so will your faith, your trust, and your understanding of what it means to be God's beloved daughter.
