Lesson 8 Parent Letter Homework.

Write or type a letter to your parent(s). Review the questions below and base the letters content on them. Spend some time on this letter, because you will be reading it to them privately at a later date! Bring the letter to the next class in an envelope with your parents first and last name on it. We will collect them and hold on to them for a future date TBA. They will not be read by us and your privacy will be honored!
